Furnace Products and Services, Inc.

Product Lines

FP&S Industrial By-Product Recycling

We recycle new and used refractory products and high alloy metal products. Selling to the end user we obtain excellent prices and work on a commission basis. We attempt to get you the best possible price. Our goal is to form a partnership with your plant and keep the process simple.

RefrAmerica

RefrAmerica is the exclusive representative of Ropczyce products for the United States and Canada. Ropczyce S.A., is an ISO-Certified company with strategically placed inventories throughout the United States.

Hotwork-USA

High capacity temporary heat for refractory drying. Coolers, preheaters, raw mill and coal mill testing, preheat and operation, ID fan balancing, tire heating. Hotwork can fire natural gas, propane, or oil fuels. We install thermocouples and provide a firing chart to verify that the suppliers recommended schedule has been followed.

Whetstone Technology, LLC.

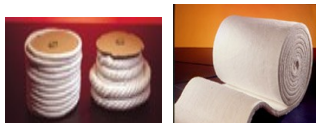

Whetstone Technology is a supplier of precision cast refractory products. We specialize in custom formulations and specialized design. Whetstone's products and designs have provided cost-effective solutions in the ferrous, non-ferrous, minerals processing, power and materials handling industries since 1995.

Small Construction, Inc.

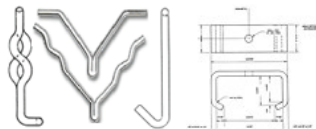

Small Construction, Inc.

Small Construction has over 30 full time machine operators and multiple machines ranging from small electric to large diesel excavators, which allow the versatility required to remove your refractory in a safe and timely manner. Small Construction has been serving the cement, lime, glass, aluminum and steel industries since 1990.

Fiber Products

FP&S offers a wide array of ceramic fiber products, including: Refractory Ceramic Fiber, Board, Blanket, Rope and Tape, Fiber Textiles, Soluble Fiber, Custom Curtains, Seals and Multi Component Fabrications.

Anchors and bricking steel

We stock 85% alumina ceramic anchors up to 18" long. We also carry a full line of C clips and metal anchors and shims, key plates, etc...
